LIGA CONTRA EL CANCER "LEAGUE AGAINST CANCER" ANNUAL TELETHON 2018

Annually, the LAC conducts a telethon in order to raise funds to continue this noble cause. As such, the HPOA has devotedly participated in this function. The HPOA is looking for members willing to donate their time to provide security presence in uniform during the event. This is on a voluntary basis and, short of doing a good thing for others; no compensation will be received by those who elect to participate. Your help is not only wanted, but it is greatly needed to make a difference.

Any one interested in being part of the team may contact Ashlie Jaramillo at ashlie@hpoade.org or call the HPOA office at 305-594-1173. Please respond no later than May 15th due to the Director having to grant permission to those volunteering for the event.
