Hispanic Police Officers Association

September/ October/ November 2016

Greetings Members!

These past two years as your President has been a great honor, this will be the last newsletter as your president. I feel extremely lucky to have had the opportunity to help the Hispanic Police Officers Association progress. We have set goals to help improve the organization and I am proud to say we have reached most goals and are very close to reaching our final goal of one day owning our own self standing building. It has been a privilege to have embarked on this journey with great board members by my side, Vice President David Jaramillo, Second Vice President Daniel Ferrin, Secretary Juan Villalba Jr., Treasurer Joel Valdes and Sergeant-at-Arms Eric Garcia. I want to thank all the members who have helped this organization continue growing, we could have not done it without you. It's been an absolute joy bringing people together that care as much about the HPOA as I do. I may not be your president as of January 1, 2017 but I will always be a part of the HPOA and continue helping. I want to wish the new board the best of luck and a successful two years!

President– David P. Jaramillo

Executive Vice President– Joel Valdes

2nd Vice President– Juan Villalba

Secretary– Mirtha Viton

Treasurer– Joseph Kelly

Sergeant At Arms– Luis Poveda

Sincerely,

Robert Fortich
